FLAGSHIP COCKTAIL

Each JW Marriott has a flagship cocktail. This cocktail is one that embodies the locale and highlights the uniqueness of each destination. The southwest and Arizona specifically are infamous for being a dry and unforgiving desert. We believe that you can find beauty in anything, if you begin to look for it. Arizona is home to the Sonoran Desert, which is known for being the only place on earth where the iconic Saguaro cactus grows. Alongside of the mighty Saguaro you will find many other species of cactus including the Prickly Pear Cactus which grows a unique fruit, packed with tremendous flavor. We hand selected a single barrel of tequila from the Maestro Dobel Distillery in Jalisco Mexico, bottled it up and brought it back to the resort. Borrowing the most iconic tequila cocktail recipe from our friends to the south then adding in this unique cactus fruit, the Prickly Pear Margarita is the perfect drink to refresh your palate during a long day out in the Arizona sun.

Using what we believe are the finest ingredients available and after mastering the delicate balance of the sweet, sour and strong flavor profiles in this balanced cocktail, we present to you the Twenty6 Margarita.” – Thomas, Twenty6 Bartender

ARIZONA INSPIRED COCKTAILS

Arizona's Five C's are: **Copper, Cattle, Cotton, Citrus** and **Climate**. In the early years of the state, the five C's played an important role in the economy, with jobs in agriculture, ranching, and mining. The Five C's represent a modest impact on Arizona's economy today, but they still play a strong cultural role. To help highlight the importance and the impact that each of these elements have had on our state, we have created a signature cocktail using Arizona's local distilleries for you to enjoy while helping celebrate our great state.
